COLUMBIA THREADNEEDLE APPOINTS MICHELLE MORTON TO LEAD EUROPEAN REAL ESTATE CLIENT PORTFOLIO MANAGEMENT

LONDON – 24 November 2026 Columbia Threadneedle Investments has appointed Michelle Morton to the new role of Head of Client Portfolio Management for European real estate. Based in London, Michelle reports to Joe Vullo, Head of Real Estate, Europe, and will work with portfolio management teams across Europe to help drive business growth.

Michelle Morton brings over 15 years of experience in real estate and infrastructure investment management. She joins Columbia Threadneedle from BlackRock, where she worked across its global real estate and infrastructure business, driving product strategy, end-to-end institutional capital raising, investor engagement and platform-wide growth initiatives across Europe and APAC.

in her new role, Michelle will bring together Columbia Threadneedle's established client portfolio management capabilities in London and Munich, supporting a co-ordinated approach to investor engagement and helping to drive the platform's European growth initiatives.

Joe Vullo, Head of Real Estate, Europe, at Columbia Threadneedle Investments, said: "We are pleased to be expanding our client portfolio management capabilities, bringing Michelle's extensive experience across product strategy, capital raising and investor engagement to our European real estate business. Michelle's appointment reflects our commitment to growing our European real estate platform and driving excellent client outcomes as investor appetite for real estate evolves.''

Michelle Morton, Head of Client Portfolio Management for European Real Estate at Columbia Threadneedle Investments, said: "Columbia Threadneedle has a strong European Real Estate platform,

combining deep local investment expertise with an entrepreneurial approach and a clear focus on delivering for clients. I look forward to working with colleagues across Europe to enhance engagement with investors, develop solutions that respond to their evolving needs and help drive the next phase of growth for the platform."
