31 July 2024

Dear Shareholder,

**Important changes to your investment with Columbia Threadneedle Investments - no action required.**

As you are an investor in one or more of the Portfolios, we are writing to let you know that the Board of Directors of the SICAV (the "Board") has decided to make some changes to the current investment management arrangements.

For any capitalised terms that are not specifically defined within this letter, please refer to the definition in the "Glossary" section of the Prospectus which is available in the document centre of our website [www.columbiathreadneedle.com](http://www.columbiathreadneedle.com).

**What is changing?**

The Portfolios are currently managed by Threadneedle Asset Management Limited ("TAML"). From 2 September 2024 (the "Effective Date"), TAML will also delegate investment decision-making to Columbia Management Investment Advisers, LLC ("CMIA"), a US-based investment manager in the Columbia Threadneedle group of companies.

As a result of this change, CMIA will also be able to make day to day investment decisions in relation to the Portfolios from the Effective Date and as such, the Portfolios will benefit from the additional research and investment capability of CMIA's team.

TAML will have responsibility for CMIA's activities in providing the services to the Portfolios and will pay for these services out of its own assets.

There will be no change to the investment objective and policies of the Portfolios, or the Asset Management Fees or Operating Expenses.

**What do I need to do?**

You do not need to take any action as a result of this change, which will take effect automatically on the Effective Date.

## What can I do if I disagree with the changes?
