NOTICE TO THE SHAREHOLDERS OF
CT (Lux) PAN EUROPEAN ESG EQUITIES
(THE “FUND”)
IMPORTANT

17 March 2025

Dear Shareholder,

Important information: Change in name and certain ESG commitments

We are writing to let you know that the Board of Directors of the SICAV (the “**Board**”) is changing the name of the Fund, and also making some changes to the exclusions policy and other environmental, social and governance (“**ESG**”) commitments. The changes will be effective 28 April 2025 (the “**Effective Date**”).

The changes are being made in response to guidelines recently issued by the European Securities and Markets Authority (“**ESMA**”) on funds’ names using ESG or sustainability-related terms (ESMA34-472-440) (“**the Guidelines**”). The Guidelines have been introduced to ensure that funds using such terms in their name meet minimum quantitative standards relating to their promotion of responsible investment themes and outcomes.

For any capitalised terms below that are not specifically defined, please refer to the definition in the “Glossary” section of the Prospectus which is available in the document library of our website www.columbiathreadneedle.com.

What is changing?

While the Fund already complies with most of the requirements of the Guidelines, for example in the minimum proportion of assets aligned to its environmental and social objectives, it does not comply with other requirements. In particular, in order to comply it would have to adopt the exclusions for EU Paris-aligned Benchmarks as contained in Article 12(1)(a)-(g) of Commission Delegated Regulation (EU) 2020/1818.

The Board and the Investment Manager believe that the addition of these exclusions would significantly alter characteristics of the Fund, and would result in a number of long-term investments being divested. It has therefore been resolved to take the fund out-of-scope of the Guidelines by changing its name to CT (Lux) Pan European Equities.

At the same time, some changes will be made to the way in which the Fund promotes environmental and social characteristics, in order to align the Fund’s approach with other sub-funds of the SICAV that are classified as Article 8 under the Sustainable Finance Disclosure Regulation (“**SFDR**”).

The changes are set out in the Appendix to this notice.

Why are we making these changes?

Compliance with the Guidelines is a regulatory requirement for funds using sustainability related terms in their name. We believe that it is in the best interests of Shareholders for the Fund to change its name so that it does not need to comply. This will allow it to be managed in the same way as it has been since it committed to the promotion of environmental and social characteristics in October 2020.

What do I need to do?

You do not need to do anything as a result of these changes, which will take effect automatically on the Effective Date.

What can I do if I disagree with the changes?

Such redemption or exchange requests will be processed in the normal manner in accordance with the "Redemption of Shares" section of the Prospectus.
