Bertrange, 07/08/2023

Dear Shareholder

We are writing to inform you of changes that the Board of Directors of the Company (the “**Board**”) proposes to make to the Company and its sub-fund (the “**Fund**”).

Renaming the Company

Columbia Threadneedle Investments has acquired BMO’s asset management business in EMEA (Europe, Middle East and Africa), resulting in the renaming of various funds and entities within the combined business to reflect a unified Columbia Threadneedle Investments brand. Consistent with these changes, the Board proposes to amend and restate the Company’s articles of incorporation (the “**Articles**”) to change the name of the Company from “Columbia Threadneedle (Lux)” to “**Columbia Threadneedle (Lux) II**”.

Renaming the Fund

In addition to renaming the Company, the Board proposes to change the name of the Fund by replacing the pre-fix “Columbia Threadneedle (Lux)” with “**CT(Lux)**”, with effect from 20 November 2023, as described in Appendix 1. This will better align the Fund name with the Columbia Threadneedle Investments brand. The renaming of the Fund shall not affect in any way the way in which the Fund is managed or its investment objectives and policies.

Further changes to the Articles

The Board further proposes to add a new article 9 to allow greater flexibility for the Board to switch an investor into a more appropriate share class in the event that an investor does not meet the eligibility criteria, or no longer satisfies the eligibility criteria for a particular share class.

"In the event that a shareholder ceases to satisfy the eligibility requirements applicable to the classes of shares as described in the Prospectus (for example, if a shareholder holding shares reserved to institutional investors ceases to qualify as such or if a shareholder’s holding ceases to comply with the applicable minimum shareholding), the Corporation may, in its sole discretion and to the extent permitted by the Prospectus, switch such shares into the most appropriate share class of the same Portfolio. In this case, shareholders will receive prior written notification, at least 30 calendar days in advance. By subscribing in a share class with eligibility requirements, shareholders irrevocably instruct the Corporation at its discretion to switch on their behalf should they cease to be eligible to invest in such share class. All costs (including potential tax liability which might be applicable because of the country of citizenship, residence or domicile of the relevant shareholder) associated with such switch will be borne by the relevant shareholder.

For such purposes, the shareholder shall be granted a grace period for remedying the situation causing the compulsory redemption as described in the Prospectus, and/or it shall be proposed to convert the shares held by any shareholder who fails to satisfy the eligibility

requirements for such class of shares into shares of another class available for such shareholder to the extent that the eligibility requirements would then be satisfied.”

In light of AML/CFT requirements, the Board further proposes to delete the second last paragraph of article 6 of the Articles as all investors need to be properly identified (this includes knowing investors' actual addresses). Consequently, the Board proposes that Article 6 of the Articles should be amended and read as follows:

“Article 6. Form of Shares

[...]

The Corporation shall consider the person in whose name the Shares are registered in the Register, as owner of the Shares.

Each registered shareholder must provide the Corporation with an address. All notices and announcements from the Corporation to shareholders may be sent to such address which will also be entered in the Register.

~~*In the event that a shareholder does not provide such an address, the Corporation may permit a notice to this effect to be entered in the Register and his or her address will be deemed to be at the registered office of the Corporation or such other address as may be so entered by the Corporation from time to time, until another address shall be provided to the Corporation.*~~

The shareholder may, at any time, change his or her address as entered in the Register by means of a written notification to the Corporation at its registered office, or at such other address as may be set by the Corporation from time to time.”

In light of the adoption of the Bill of Law N°8183 which introduces, among others, regulatory changes to the Law of 17 December 2010 relating to undertakings for collective investments (the “**2010 Law**”), the Board further proposes to add a new paragraph 4 to current article 23 of the Articles with respect to suspension of issuance, exchange and redemption of shares, as well as a new paragraph 3 to current article 26 of the Articles with respect to termination of the depositary. The referred articles should be amended to read as follows:

“Article 23. Form of Shares

[...]

In addition, the issue, exchange and redemption of Shares within a Portfolio shall be forbidden:

- for the whole period during which the Corporation does not have a depositary;*
- in cases where the Corporation declares bankruptcy, applies for a scheme of composition with creditors (bénéfice de concordat), suspension of payments (sursis de paiement) or controlled management (gestion contrôlée), or upon occurrence of any such event affecting the Depositary.*

[...]”

“Article 26. Depositary

[...]

In cases where the appointment of the Depositary has been terminated but a new depositary has not been appointed at the expiry of the notice period for termination set out in the agreement with the Depositary, the Depositary shall take all the measures necessary for the proper preservation of the interests of the shareholders and shall keep open or, if required, shall open all accounts necessary for the safekeeping of the Corporation's assets until the completion of the liquidation process of the Corporation and its withdrawal from the list provided for in Article 130(1) of the 2010 Law."

Action to be taken

The Board invites you to an extraordinary general meeting of shareholders of the Company to be held on 31 August 2023, so that you can vote on the changes to the Articles described above. The convening notice to this meeting is attached to this letter.

A draft of the restated Articles showing the relevant changes is available to shareholders free of charge at the Company's registered office.

The Board strongly encourages you to vote at the EGM.

Yours sincerely,

Columbia Threadneedle (Lux) – The Board of Directors
