Our report in line with the recommendations of the Task Force on Climate-related Financial Disclosures (TCFD)

June 2023

Columbia Threadneedle Investments (Columbia Threadneedle) is a global asset manager that includes several legal entities in its group that are regulated by the Financial Conduct Authority (FCA). Certain of these entities are required by the FCA to make publicly available a Task Force on Climate-related Financial Disclosures (TCFD) entity report outlining how they manage climate-related risks and opportunities when providing portfolio management services, or managing investment products, to their clients. These disclosures are made as part of Columbia Threadneedle's group report entitled [Climate Change: Managing Risks and Opportunities, which is made available here](#). The group report outlines global and regional approaches to managing climate-related risks and opportunities in line with the TCFD recommendations that apply to the following legal entities that are regulated by the FCA:

- Columbia Threadneedle Fund Management Limited
- Columbia Threadneedle Investment Business Limited
- Columbia Threadneedle Management Limited
- Columbia Threadneedle Multi-Manager LLP
- Columbia Threadneedle REP AM Plc
- Threadneedle Asset Management Limited
- Threadneedle International Limited
- Threadneedle Investment Services Limited
- Threadneedle Pensions Limited
- Threadneedle Portfolio Services Limited

Where necessary, specific financed emission disclosures have been made in the Metrics and targets section of the group report for certain of the legal entities mentioned above. The attestation that the disclosures made in the group report meets the requirements in the FCA Policy Statement 21/24 also applies to the legal entities mentioned above.

Important Information: For use by professional clients and/or equivalent investor types in your jurisdiction (not to be used with or passed on to retail clients)

This document is intended for informational purposes only and should not be considered representative of any particular investment. This should not be considered an offer or solicitation to buy or sell any securities or other financial instruments, or to provide investment advice or services. Investing involves risk including the risk of loss of principal. Your capital is at risk. Market risk may affect a single issuer, sector of the economy, industry or the market as a whole. The value of investments is not guaranteed, and therefore an investor may not get back the amount invested. International investing involves certain risks and volatility due to potential political, economic or currency fluctuations and different financial and accounting standards. The securities included herein are for illustrative purposes only, subject to change and should not be construed as a recommendation to buy or sell. Securities discussed may or may not prove profitable. The views expressed are as of the date given, may change as market or other conditions change and may differ from views expressed by other Columbia Threadneedle Investments (Columbia Threadneedle) associates or affiliates. Actual investments or investment decisions made by Columbia Threadneedle and its affiliates, whether for its own account or on behalf of clients, may not necessarily reflect the views expressed. This information is not intended to provide investment advice and does not take into consideration individual investor circumstances. Investment decisions should always be made based on an investor's specific financial needs, objectives, goals, time horizon and risk tolerance. Asset classes described may not be suitable for all investors. Past performance does not guarantee future results, and no forecast should be considered a guarantee either. Information and opinions provided by third parties have been obtained from sources believed to be reliable, but accuracy and completeness cannot be guaranteed. This document and its contents have not been reviewed by any regulatory authority.
