

Private Investors

Application Form

This Application Form is designed for private investors domiciled in the United Kingdom (UK) wishing to invest directly into Threadneedle Funds. Do not use this form if you are an institutional investor. Forms for institutional investors are available at www.columbiathreadneedle.com.

Terms used in the Prospectus have the same meaning given to them in this Application Form.

This Application Form and the terms of the Prospectus apply to any orders you place from time to time in one of our funds, but if there is any conflict between this Application Form and the Prospectus, the terms of the Prospectus will override all other terms. The Terms and Conditions relating to your orders will also apply.

Please do not use this form if you wish to invest in Threadneedle Funds through a new ISA. Separate application forms are required for the Threadneedle Stocks and Shares ISAs and Threadneedle Junior ISAs. These are available from our website at www.columbiathreadneedle.com.

For details of the countries in which Threadneedle Funds are available, please refer to the Prospectus, which can be found on our website. Please note that Threadneedle Funds are not available to US investors.

Eligibility if you wish to invest in the Threadneedle Property Authorised Investment Fund

Property Authorised Investment Funds are a type of tax-efficient property fund which benefits tax-exempt investors. For the majority of investors, at the time of going to print, Threadneedle Investment Services Limited (Threadneedle) believes that the PAIF may be the preferred option compared with the Threadneedle PAIF Feeder Fund. The Threadneedle PAIF Feeder Fund is primarily designed for large corporate investors and those investors who are not able to invest in the Threadneedle PAIF but who still wish to gain exposure to Columbia Threadneedle Investments' property expertise.

Not all types of investor are eligible or able to invest directly in a PAIF. In particular, a company or other body corporate is subject to a maximum holding limit of under 10% of a PAIF, whether held directly in its own name or via a third party (other than nominee companies holding units for non-Body Corporate investors). Please speak to your financial adviser if you require advice. In order to avoid a breach of this provision, we impose a lower maximum holding limit of 9.5% of the value of the Threadneedle PAIF and we require any corporate investor exceeding this limit to reduce their holding to 7% (or less) of the value of the Threadneedle PAIF.

Which section is applicable to you?

All investors should complete the following sections:

Completing this form

Before completing this Application Form, please make sure you have read the current Key Investor Information Document (KIID) and/or non-UCITS retail scheme Key Investor Information Document (NURS-KII) for the Threadneedle Fund you are thinking of investing into. KIIDs and NURS-KIIs are available at www.columbiathreadneedle.com. Please note that you will need to complete a new Application Form if you are an existing investor but wish to invest in a different Threadneedle Fund to the Threadneedle Fund you are already invested in. However, if you are already a client of Threadneedle and you only wish to top-up your investment, you do not need to complete this Application Form, and you can invest further by contacting the Client Services Team, details of which are set out overleaf. In order to ensure that we have up-to-date information about you, you may be asked to reconfirm some of the information you have already provided to us.

Anti-money laundering and client identification

We have a legal obligation to help prevent money laundering and terrorist financing by conducting client identification and verification checks upon the creation of a new account for you and to ensure that the information we hold on file for you is up-to-date.

If you have a financial adviser, your verification checks can be conducted by them and they should then complete section 6 of this form before it is given to us.

If you are applying directly without a financial adviser you will need to complete section 5 (Client identification) for yourself and each joint investor (where applicable) so we can complete the necessary checks.

Please note that if we do not have the correct documentation to identify you when you sell your shares or units, future withdrawals will not be released until you provide the appropriate information to us.
